BUSINESS CAMERA PARTNERSHIP

- Please provide the location of your security camera(s) with the Police Department.
- Sharing your camera(s) provides live access for the Police Department when a crime occurs, and gives the department remote access to record from your camera.
- An access point for sharing your camera(s) will be installed at no cost.
- We will not share your information with anyone.

Please note:

At this time we are only partnering our system with business cameras.

Provide your security camera locations with the Rocky Mount PD:
