SECTION 1. Goals of the Program

The goal of this program is to promote neighborhood stability and preserve the existing supply of single-family homes by assisting workforce housing households with repairs to their homes.

SECTION 2. Purpose

The purpose of this policy is to set forth the eligibility criteria for participating in program, the application process, define what repairs are eligible for funding, the terms for engaging contractors, and the process for appealing for reconsideration.

SECTION 3. Roles and Responsibilities

3.1 The program will be administered by the following City staff members:

- a. The Community Development Technician (CD Tech) and/or Citizen Assistance Specialist shall serve as the primary contact for questions, concerns, application intake and program promotion. The CD Tech and/or Citizen Assistance Specialist is responsible for requesting, compiling, and filing all necessary documentation to determine eligibility. Additionally, the CD Tech handles the drafting of closing documents. The Citizen Assistance Specialist/HOME Coordinator is also responsible for assisting with the drafting of closing documents.
- b. The CD Tech requests letters of determination for properties in historic districts and flood zones from the Planning Administrator in the Development Services Department. The CD Tech also requests information from the Community Code Division about any open or outstanding Community Code actions (see Section 4.1).
- c. The Housing Specialist performs both an initial assessment/inspection as well as a post-inspection after repairs have been completed.
- d. The Compliance Administrator is responsible for monitoring the program and doing the grant funding close-out which includes the verification of applicant eligibility and documentation accuracy (i.e. closing documents, invoices, copies of paid receipts, and verification of payments).
- e. There shall be four (4) levels of oversight of the Housing Repair Program – Workforce Housing
 - Level 1: The Community Development Administrator is responsible for coordinating the work of the CD Tech, Citizen Assistance Specialist, Housing Specialist, HOME Coordinator, and Compliance

Administrator. The Community Development Administrator reviews applications, executes approval/denial letters and approves all requisitions, purchase orders, and payment requests.

- Level 2: The Community & Business Development Director coordinates the work of the Community Development Administrator and Administrative Assistant and approves all requisitions, purchase orders, and payment requests. The Director shall hear all appeals and recommend terms of resolution.
 - Level 3: The Assistant City Manager or designee shall monitor the Housing Repair Program.
 - Level 4: The City Manager shall render a final determination on any matter that is the subject of appeal.
- f. The CD Tech is responsible for initiating requisitions for approved projects, obtaining purchase orders, and initiating payment requests for submission to the Finance Department.
- g. The CD Tech is responsible for closing each project upon completion by obtaining final inspections reports for the project file, preparing final payment requests, and closing out purchase orders.

SECTION 4. Housing Repair Program – Workforce Housing Policy

- 4.1 The residential property must be located within the city limits of Rocky Mount, NC to receive assistance. Properties must be single-family residences or duplexes constructed at least fifty (50) years ago, based on tax records. If the property is under the minimum housing code, the scope of work must satisfy ALL code violations.
- 4.2 Eligible repairs:
- a) Energy efficiency improvements (replacement windows and doors)
 - b) System upgrades (i.e. plumbing, electrical and HVAC)
 - c) Roof repair and/or replacement and gutters
 - d) Water heater replacement
 - e) Lead, mold, and asbestos abatement/remediation
 - f) Accessibility features for entering and existing the home (i.e. wheelchair ramps, stair rails) and grab bars in bathrooms.
 - g) Installing smoke alarms
 - h) If the property is under the minimum housing code, the scope of work must satisfy all code violations.
- 4.3 Eligible applicants will be selected on a first come, first serve basis. No property shall be eligible for more than one (1) grant award in any three (3) year period.

- 4.4 Properties located in the city-designated historic districts must obtain approval for proposed alterations to home exteriors from the Rocky Mount Historic Preservation Commission.
- 4.5 Homeowner assistance under this program shall be granted without regard to race, color, religion, sex, disability, familial status, or national origin under the Fair Housing Act. and, without regard to marital status, age, or source of income under the Equal Credit Opportunity Act. The City of Rocky Mount complies with Fair Housing and Equal Credit Opportunities as a HUD grantee. In addition, the City requires compliance with Chapter 12 of the Rocky Mount City Code of Ordinances regarding fair housing.
- 4.6 The City will provide assistance to homeowners whose homes are eligible for repair/modification in the form of a grant. The amount of the grant will depend on the scope of work necessary to address the renovations and improvements as verified by the City's Housing Specialist but will not exceed \$12,500. The city will make payments directly to an approved contractor.
- 4.7 Before work begins the City's Housing Specialist, or a firm contracted for this program, will visit homes of approved program participants and review with the homeowner the proposed renovations, repairs, or improvements. Contracting for work shall be done in accordance to the work write-up produced by the Housing Specialist.
- 4.8 A responsible contractor is required to:
 - a) Hold a contractor's license or other license required for the scope of work being performed issued by the State of North Carolina
 - b) Have proof of valid liability and worker's compensation insurance
 - c) Must be Lead Certified if painted surfaces will be disturbed
 - d) Must be Asbestos Certified if asbestos materials will be disturbed
 - e) Be registered with the Central Contractor Registry (<http://fedgov.dnb.com/webform>) and
 - f) Must be Renovation, Repair, and Painting (RRP) and Lead Certified and must follow specified work practices to prevent lead contamination for work performed in homes built before 1978.
- 4.9 The responsible contractor must comply with the above requirements and be able to complete the work in a timely fashion (30 days from contract signing), and at a reasonable price within 15% of cost estimate determined by the Housing Specialist. Any project not completed within this time frame,

- without written consent from the Housing Specialist, will not receive payment. The Housing Specialist will issue work extensions based on extenuating circumstances such as death or severe illness of a family member residing in the home or a severe weather event.
- 4.10 If lead remediation is required, the homeowner is responsible for relocation during remediation.
- 4.11 The contractor will be responsible for obtaining any required building permits for the project(s) before beginning work. Permits must be posted at the house during the entire period of construction. The Housing Specialist will closely monitor the contractor during the construction period to make sure that the work is being done in a timely manner and in accordance with the work write-up and contract. City inspectors will inspect work for compliance with the Building Code as required. The homeowner is responsible for protecting personal property by clearing work areas and securing valuables.

SECTION 5. Program Marketing
