PROGRAMS OF THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD)

A. Introduction

Purpose

Pursuant to the citizen participation requirements of 24 CFR Part 91 and 24 CFR Part 5, the City of Rocky Mount and the Down East HOME Consortium set forth the following amended Citizen Participation Plan (the “Plan”) as it relates to the administration of the Community Planning and Development (CPD) programs funded by the U.S. Department of Housing and Urban Development (HUD).

The City of Rocky Mount is a grantee under the Community Development Block Grant (CDBG) Program and is responsible for the statutory and regulatory requirements of the program. The Down East HOME Consortium (DEHC) is comprised of the City of Rocky Mount, Edgecombe County and the towns of Conetoe, Middlesex, Pinetops, Princeville, Sharpsburg, Spring Hope, and Whitakers. The City of Rocky Mount is the lead entity of the DEHC and the program administrator.

When used throughout this Plan, “the City” refers to the City of Rocky Mount as the recipient and administrator of the CDBG Program, where applicable, and to the DEHC as the “Lead Entity” and administrator of the HOME Program, where applicable.

The Plan presents the City’s intent for providing for and encouraging all citizens to participate in the development, revision, amendment, adoption, and implementation of:

- 1) The Citizen Participation Plan
- 2) The Assessment of Fair Housing (AFH)
- 3) The Consolidated Plan (CP)
- 4) The Annual Action Plan (AAP)
- 5) The Consolidated Annual Performance and Evaluation Report (CAPER), and
- 6) The Section 108 Loan Guarantee Program

Lead Agency

The City of Rocky Mount, through its Department of Community & Business Development, is the lead agency responsible for the administration of the CDBG Program for the City and the HOME Program for the DEHC.

B. Encouragement of Citizen Participation

General

The City provides for and encourages citizens to participate in the development, revision, amendment, adoption and implementation of the Citizen Participation Plan, the Assessment of Fair Housing, the Consolidated Plan, the Annual Action Plan, and the CAPER. The City encourages participation by low- and moderate-income persons, particularly those living in areas designated as revitalization areas or in slum and blighted areas and in areas where HUD funds are proposed to be used, and by residents of predominantly low- and moderate- income neighborhoods. With respect to the public participation initiatives included in this Plan, the City will take appropriate actions to encourage the participation of all citizens, including minorities, non-English speaking persons, and persons with disabilities, as described below.

Non-English Speakers

Where a significant number of non-English speaking residents can be reasonably expected to participate in a public meeting, an interpreter will be provided upon written request to the Department of Community & Business Development no later than 48 weekday hours prior to the day of a public meeting.

To encourage these residents to participate in the development of the Assessment of Fair Housing, the Consolidated Plan, and the Annual Action Plan, the City will undertake the following initiatives in addition to publishing advertisements in the *Rocky Mount Telegram* for these activities:

- At least one stakeholder interview or focus group session will be scheduled during the stakeholder consultation process for each and will focus on persons with limited English proficiency, and
- The City will provide a Spanish version of meeting agendas, handouts and surveys at meetings and stakeholder interviews conducted for each planning process.

Persons with Disabilities

Persons with disabilities requiring special accommodations to participate in public meetings should call the Contact Person, or a designee, no later than 48 weekday hours prior to the day of a meeting. The City will conduct all public meetings in locations that are handicapped-accessible, when available.

If requested, the City will mail copies of public meeting notices to persons who are homebound and request such accommodation no less than seven days prior to the public meeting.

Low- and Moderate-Income Persons

The City will conduct at least one public meeting in a neighborhood that contains at least 51% low- and moderate-income residents, based on current HUD data, during the development of the Assessment of Fair Housing, the Consolidated Plan, and the Annual Action Plan.

Organizations and Agencies

The City encourages the participation of local and regional institutions, the Continuum of Care, businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations in the process of developing, revising, amending, adopting and implementing all documents covered by this Plan. This will be achieved through stakeholder interviews, focus groups and/or public meetings.

Local Public Housing Authorities

The City encourages, in consultation with Rocky Mount Housing Authority and Tarboro Housing Authority, the participation of residents of any public housing development located within the City and the DEHC, in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan. The City will provide information to the executive director of the two local public housing authorities about the Assessment of Fair Housing, its fair housing strategy, and Consolidated Plan activities related to the public housing developments and communities so that the two local public housing authorities can make this information available at the annual public hearings required for their respective Public Housing Authority Agency Plans.

The City encourages participation by resident advisory boards and resident councils of the two local public housing authorities. This will be carried out by providing information on public meetings, surveys and other outreach initiatives related to the documents covered by this Plan.

Public Notices

Public review/comment periods and public hearings held in the process of developing, revising, amending, adopting and implementing the documents covered by this Plan shall be advertised in the *Rocky Mount Telegram* no less than one day before the public review and comment period commences and no less than seven days before a public hearing is held.

Public Hearings

All public hearings will be scheduled at times and locations that are reasonably convenient for potential and actual program beneficiaries, and with accommodation for persons with disabilities and non-English Spanish speakers in accordance with this Plan.

Technical Assistance

City staff are available to assist organizations and other eligible entities that are interested in submitting a proposal to obtain funding through the CDBG/HOME programs. All potential applicants are strongly encouraged to contact the Contact Person, or a designee, for technical assistance before initiating a funding request application.

Online Access

The City will post draft copies and final copies of all documents covered by this Plan on its website accessible at www.rockymountnc.gov/departments/community_business_development.

Other Engagement Techniques

The Plan may be amended as the City continues to gain access to technology that improves the avenues of participation by its residents.

a. Amendment Considerations

The City will amend the Plan, as necessary, to ensure adequate engagement and involvement of the public in making decisions related to its HUD programs. Substantial amendments to the Citizen Participation Plan may be required should a provision of the Plan be found by the City to conflict with HUD regulations, or when changes in HUD regulations occur. Revisions to the Assessment of Fair Housing

The City shall follow the following procedure to revise its AFH, as needed.

a. Revision Considerations

The City will revise its AFH previously accepted by HUD under the following circumstances:

- A material change occurs. A material change is a change in circumstances in the City that affects the information on which the AFH is based to the extent that the analysis, the fair housing contributing factors, or the priorities and goals of the Assessment no longer reflect actual circumstances. Examples include, but are not limited to:
 - Presidentially declared disasters, under Title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*), in the City that are of such a nature as to significantly impact the steps the City may need to take to affirmatively further fair housing

- An activity is added to or deleted from the Consolidated Plan
- A change in the purpose, scope, location, or beneficiaries of an activity previously described

There are two types of amendment that may occur with the AAP: minor amendments and substantial amendments. An amendment to the approved AAP is considered substantial under the following circumstances:

- When an eligible activity is added or deleted
- When a change occurs in the purpose, location, or beneficiaries of an activity previously approved
- When a 50 percent change in federal funding occurs where the project is \$25,000 or less
- When a 25 percent change in federal funding occurs where the project is more than \$25,000

All other changes to funding allocations or approved eligible activities that do not meet the criteria defined above will be considered minor amendments, will be reviewed and approved by the Director of the Community & Business Development Department and will not be subject to public comments. These changes will be fully documented and signed by the Director of the Community & Business Development Department.

The City may choose to submit a copy of each amendment to the AAP to HUD as it occurs, or at the end of the program year. Letters transmitting copies of amendments will be signed by the Director of the Community & Business Development Department.
