I. BACKGROUND

In response to the Coronavirus Pandemic (COVID-19), the U.S. Department of Housing and Urban Development (HUD) allocated the City of Rocky Mount \$638,042 in Community Development Block Grant Coronavirus (CDBG-CV) funding. This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed on March 27, 2020.

The City of Rocky Mount plans to allocate approximately \$267,434 of CDBG-CV funds to Public Service Activities to remain consistent with the current 3-Year Consolidated Plan. CDBG-CV funds made available are to prevent, prepare for, and respond to coronavirus. Every grant must be expended for activities that benefit low- and moderate-income persons by providing a public service.

II. FUNDING AUTHORITY

The CDBG regulations, at 24 CFR part 570, implement Title I of the Housing and Community Development Act of 1974, as amended. The CARES Act modifies some CDBG program rules and authorizes the Secretary of HUD to grant waivers and alternative requirements. The act limited the exemption from the 15% cap to activities to prevent, prepare for, and respond to coronavirus. The suspension of the 15% cap applied not only to CDBG-CV funds, but also to any FY 2019 and FY 2020 CDBG reprogrammed allocations.

III. PROGRAM REQUIREMENTS

Service Provider Requirements

To be awarded funding, the service provider must:

- Be a non-profit organization with federal 501(c)(3) tax-exempt status, a government entity, or a faith-based organization;
- Directly serve Rocky Mount neighborhoods or households;
- Have at least three years of experience assisting low- and moderate-income households or neighborhoods. If you are meeting the income requirement on a household basis, at least 51 percent of your households must be low income. Certain persons, including certain seniors, homeless, and disabled persons, abused children, battered spouses, illiterate adults, persons living with AIDs, and migrant farm workers, may be presumed to be low- and moderate-income. Otherwise, as of June 15, 2022, income limits for low- and moderate-income households are as follows:

- Ensure the confidentiality of records concerning program participants;
- Comply with all City of Rocky Mount contract agreement requirements, including following restrictions on the use of federal funds, utilizing the applicable Office of Management and Budget standard for financial management and audits, and submitting timely and complete invoices and quarterly reports describing program achievements.
