---

**\*(subgrade form/letter may be required)**

**Attestation/Signature:**

By signing below, I certify that the component and/or element of the building as identified on this form has been inspected by me or someone under my direct supervision per G.S. 160D-11-6 and is in compliance with the Code or other proposal of the architect or engineer for the project. This inspection is in compliance with all of the requirements of the above referenced code (*Attach any additional documents if needed*).

\_\_\_\_\_  
**Licensed Architect or Engineer**

**Inspections Division disclaimer:** Upon the acceptance and approval receipt of a signed written document by the local government as required under subsection (a) of this section, notwithstanding the issuance of a certificate of occupancy, the City of Rocky Mount, its Development Services Department, and its Inspections Division are discharged and released from any liabilities, duties, and responsibilities imposed by this Article with respect to or in common law from any claim arising out of or attributed to the component or element in the construction of the building for which the signed written document was submitted. Be aware that this inspection will be noted in all inspection records including the Certificate of Occupancy. This inspection does not address any local ordinances or zoning requirements (see G.S 160D-1106).
