Question and Answer

Question 1: Has the lake had any previous aquatic management? If so, is the management criteria for the lake the same as in the past?

Answer 1: There has been no previous aquatic management.

Question 2: Does the lake have a history of aquatic weed or other issues? If so, can you explain any previous issues the vendor may inherit.

Answer 2: We did have a problem with Hydrilla that is now under control with Carp (NCDEQ co-op) There has been some duck weed and of course algae.
