Rocky Mount Police Department Expands Online Services

Rocky Mount, N.C. – For more than a decade, the Rocky Mount Police Department (RMPD) has utilized Police 2 Citizen to inform the community about crimes that have occurred in the city, including arrests made, violations and accidents. The department will now enhance the offering by including brief, public narratives on these incidents via www.rmpdp2c.rockymountnc.gov.

The RMPD has recently launched a Rocky Mount Police 2 Citizen Facebook page. Anyone who has access to Facebook can log on to the page, and share information on wanted persons and view published press releases. Also, social media users can view persons of interest and respond to the postings by calling 252-972-1411 or TEXT-A-TIP.

Followers of RMPD's Facebook page (@RockyMountNCPoliceDepartment) may continue to utilize that site for community outreach, events and department news. The Police 2 Citizen page can be accessed via Facebook (@RockyMountPolice2Citizen).
