Local cast to perform *The Nerd*

Rocky Mount, N.C. – The Imperial Centre for the Arts and Sciences is set for six productions of *The Nerd*. Directed by Imperial Centre for the Arts and Sciences Brooke Edwards and featuring

a cast of local talent, *The Nerd* is a hilarious story of Willum Cubbert, an unassuming, young architect who becomes host to unexpected houseguest Rick Steadman, who saved Willum's life in Vietnam.

The play will run Oct. 1-2 and 8-9 at 7:30 p.m., while matinee performances will run at 2 p.m. on Oct. 3 and Oct. 10.

“*The Nerd* is a crazy comedy that will leave everyone in stitches,” Edwards said. “This classic comedy by Larry Shue is the perfect anecdote for anyone needing a laugh. Our cast of community members have had a blast putting the show together and can't wait to share it with an audience. and even though it is a wacky comedy, it still holds a message that ‘sometimes we need a little push to get us going in the right direction.’”
