MyRMT powered by Atlas One, Mobile Application

Rocky Mount, N.C. – Many city departments within the City of Rocky Mount have worked extremely hard to bring our newest technology, a community engagement application for mobile phones, MyRMT powered by Atlas One, onboard. As a result, we are excited to announce that MyRMT is now live for City of Rocky Mount and available for download in the App Store and Google Play Store.

All iOS and Android devices are fully functional, and can receive alert notifications as well as send and receive messages from the Rocky Mount Police & Fire Department. Below are the instructions to download MyRMT powered by Atlas One on your mobile devices:

How it Works

- Download the free [iOS](#) or [Android](#) MyRMT App
- Tap "GET STARTED" to create your Atlas One profile
- Share your location or add favorite places that you want to track
- If an alert occurs nearby your current location, or places you track, the app will send a push notification alert
- The Rocky Mount Police Department will also have the ability to publish incidents, events, places, and guides, and include interactive information such as directories, maps, news updates, links, and faqs.

About Rocky Mount: The city of Rocky Mount, located in the Coastal Plains of North Carolina, was incorporated in 1867 and lies in Edgecombe and Nash Counties. Rocky Mount is a two-time All-America City on the Tar River. Serving as the Gateway to Eastern North Carolina, the city's 875 employees serve approximately 58,000 residents daily.

The city's mission is to advance community well-being, safety and quality of life by delivering excellent public services and actively collaborating with the community towards a fulfilling and inspired future for its citizens. As a publicly-owned utility, the city of Rocky Mount is committed to safe, reliable service for its customers and operates in Nash and Edgecombe counties, providing customers with electricity, natural gas, water, wastewater (sewer), refuse,

recycling and/or stormwater services. To learn more, visit www.rockymountnc.gov for news and updates.
