### 2.1 REQUEST FOR QUOTE DOCUMENT

The RFQ is comprised of the base RFQ document, any attachments, and any addenda released before Contract award. All attachments and addenda released for this RFQ in advance of any Contract award are incorporated herein by reference. Vendor may attach its quote to this RFQ for submission; however, any and all additional, modified or conflicting terms and conditions submitted on or with Vendor’s quote shall be disregarded and shall not be considered a part of any contract arising from this RFQ. Any attempt to delete or avoid the force of the previous sentence shall render Vendor’s quote invalid, and it shall not be considered.

### 2.2 NOTICE TO VENDORS REGARDING TERMS AND CONDITIONS

It shall be the Vendor’s responsibility to read the Instructions, the Cities’ terms and conditions, all relevant exhibits and attachments, and any other components made a part of this RFQ and comply with all requirements and specifications herein. If Vendors have questions, issues, or exceptions regarding any term, condition, or other component within this RFQ (including proposed alternate language), those **must** be submitted as questions in accordance with the instructions in Section 2.4. QUESTIONS ABOUT QUOTE. If the City determines that any changes will be made resulting from the questions asked, then such decisions will be communicated in the form of an RFQ addendum. The City may also elect to leave open the possibility for post-contract negotiation and amendment of specific provisions of the Contract that have been addressed during the question-and-answer period. Other than through this process, the City rejects and will not be required to evaluate or consider any additional or modified terms and conditions submitted with Vendor’s quote. This applies to any language appearing in or attached to the document as part of the Vendor’s quote that purports to vary any terms and conditions or Vendors’ instructions herein or to render the quote non-binding or subject to further negotiation. *Vendor’s quote shall constitute a firm offer.* **By execution and delivery of a quote in response to this RFQ, the Vendor agrees that any additional or modified terms and conditions, whether submitted purposefully or inadvertently, shall have no force or effect, and will be disregarded. Noncompliance with, or any attempt to alter or delete, this paragraph shall constitute sufficient grounds to reject Vendor’s quote as nonresponsive. Any quote that contains language that indicates the quote is non-binding or subject to further negotiation before a contractual document may be signed shall be rejected.**

Contact with anyone working for or with the City regarding this RFQ other than the City of Rocky Mount Purchasing Office Contract Lead named on the face page of this RFQ or in the manner specified by this RFQ shall constitute grounds for rejection of said Vendor’s offer, at the Cities election.

### 3.0 METHOD OF AWARD AND QUOTE EVALUATION PROCESS

---

#### 3.1 METHOD OF AWARD

Contracts will be awarded in accordance with G.S. 143-129, 143-131 and the evaluation criteria set out in this solicitation. Prospective Vendors shall not be discriminated against based on any prohibited grounds as defined by Federal and State law.

The city may obtain quotes from one or more potential Vendors. All quotes will be evaluated, and award will be based on three of the lowest responsive quote meeting specifications.

**Local Preference Policy.** *The only exception to the lowest responsive, responsible bidder method of award will be the local preference policy. The preference will allow an Eligible Local Bidder to match the price and terms of the lowest responsive, responsive bidder who is a Non-Local Bidder, if the Eligible Local Bidder's price is within five percent (5%) or \$25,000, whichever is less, of the lowest responsive, responsive Non-Local Bidder's price. An eligible local vendor is one that is current on property taxes in the City of Rocky Mount and meets the qualifications set forth in the policy. An application can be found at <https://rockymountnc.gov/services-finance-vendor-registration/>*

#### 3.2 QUOTE EVALUATION PROCESS

- a) Quotes are requested for the items as specified, or item(s) equivalent in design, function and performance. The City reserves the right to reject any quote on the basis of fit, form and function as well as cost.
- b) The City shall review the responses to this RFQ to confirm that they meet the specifications and requirements. The City reserves the right to waive any minor informality or technicality.
- c) For all responses that pass the initial review process, the City will review and assess the Vendors' pricing. The City may request additional formal responses or submissions from any or all Vendors for the purpose of clarification or to amplify the materials presented in any part of the quote. Vendors are cautioned, however, that the City is not required to request clarification, and often does not. Therefore, all quotes should be complete and reflect the most favorable terms available from the Vendor. Prices quoted cannot be altered or modified as part of a clarification.
- d) Quotes will be evaluated, based on the award criteria identified in Section 3.1 METHOD OF AWARD.

Award of a Contract to one Vendor does not mean that the other quotes lacked merit, but that, all factors considered, the selected quote was deemed most advantageous and represented the best value to the City.

Vendors are cautioned that this is a request for quote, not a request or an offer to contract, and the City reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of the City.

**CONFIDENTIALITY DURING PROCESS:** During the evaluation period and prior to award, all information concerning the quote and evaluation is confidential, and possession of the quotes and accompanying information is limited to personnel of the issuing department and any third parties involved in this procurement process, and to the committee responsible for participating in the evaluation. Any attempt on behalf of a Vendor to gain such confidential information, or to influence the evaluation process (e.g., contact anyone involved in the evaluation, criticize another Vendor, offer any benefit or information not contained in the quote) in any way is a violation of North Carolina purchasing law and regulations and shall constitute sufficient grounds for disqualification of Vendor's offer from further evaluation or consideration in the discretion of the City.

#### 3.3 INTERPRETATION OF TERMS AND PHRASES

This Request for Quote serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by the Department; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. As such, all terms in the Request for Quote shall be enforceable as contract terms in accordance with the General Contract Terms and Conditions. The use of phrases such as "shall," "must," and "requirements" are intended to create enforceable contract conditions. In determining whether quotes should be evaluated or rejected, the Department will take into consideration the degree to which Vendors have proposed or failed

to propose solutions that will satisfy the Department’s needs as described in the Request for Quote. Except as specifically stated herein, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in the Department exercising its discretion to reject a quote in its entirety.

### 4.0 REQUIREMENTS

This Section lists the requirements related to this RFQ. By submitting a quote, the Vendor agrees to meet all stated requirements in this Section as well as any other specifications, requirements and terms and conditions stated in this RFQ. If Vendor is unclear or has any question about the specifications, requirements and terms and conditions herein, it is urged and cautioned to contact the issuing department Contract Lead as specified in this RFQ.

#### 4.1 CONTRACT TERM

The Contract shall have an initial term of two (2) years, beginning on the date of contract award (the “Effective Date”).

#### 4.2 PRICING

Quote price shall constitute the total cost to Buyer for delivery fully assembled and ready for use, including all applicable charges for shipping, delivery, handling, administrative and other similar fees. Vendor shall not invoice for any amounts not specifically allowed for in this Quote. Complete ATTACHMENT A: PRICING FORM and include with Quote.

## 5.0 SCOPE OF WORK

### 5.1 GENERAL SCOPE

Private property mowing is performed by Contractors when a nuisance notice is issued by Community Code and the property is not brought into compliance within 10 days. Most residential lots are .25 acre or less with a few being close to .5 acre. Properties may be a vacant lot, a lot with a vacant dwelling or a lot with an occupied dwelling.

Mowing is also directed for non-residential properties and for those properties exceeding 2 acres in size, the City’s agent will negotiate a price with the Contractor based on the mowing area involved, not the overall size of the property, given there may be large structures using a good deal of that acreage.

The following terms and conditions apply to the cutting of grass/weeds in violation of the Public Nuisance-Weeds Ordinance for the City of Rocky Mount:

- a) The City’s agent shall approve Contractor’s equipment to be used to fulfill the terms and conditions of this contract.
- b) Assignments for work are disseminated by the City’s agent based on the needs of the city. Private properties are issued notice and, when inspected as non-compliant, the City’s agent shall order mowing as directed. The City’s agent will publish and distribute a list of properties for mowing as assigned by geographic location within the city.
- c) Trimming is required for each mow (trees, shrubs, buildings, utility poles, etc.)
- d) The use of weed trimming equipment will be required around buildings, trees, bushes, curbs, fences, sidewalks, utility poles, etc.
- e) Minimum equipment required:
  - a. PTO-driven 60: commercial grade mower or 60” commercial grade zero-turn mower (2 minimum)
  - b. Acceptable commercial grade trimming equipment with steel blade compatibility
  - c. Tractor and bush hog
  - d. Other standard lawn maintenance equipment such as chainsaws, loppers, rakes, shovels shall be available as needed
  - e. Contractor must operate with a minimum of 2 crews; assuming one crew consists of two (2) people-one (1) mower operator and one (1) trimmer/weed eater operator.

Before bid award, the City reserves the right to inspect all equipment to be used during the performance of the contract. All equipment must have all safety devices in operating condition for the duration of the contract. If the Contractor or his/her employees are found to be operating unsafe equipment they will be directed to stop work until the equipment is repaired to a safe operating condition. Repeated violations of the requirement will be grounds to terminate the contract.

- f) The general scope of work for this contract is mowing and trimming. However, the Contractor shall pick up all limbs, branches, trash, litter and debris on the property prior to mowing. Trash, litter and debris removed from a property prior to mowing may be bagged and delivered to the City transfer station on Thorpe Road at

no charge to the Contractor. In such cases, the Contractor may not bill the city for the transportation of this trash/litter.

- g) The Contractor shall ensure that no grass/weed clippings are mown into the roadway, where they may become clogged in the storm drain system.
- h) It is the responsibility of the Contractor to identify any hazards to equipment, mowing obstacles or other conditions that may damage equipment or injure personnel. The city is not responsible for damage to Contractor equipment.
- i) Under normal conditions, all work on properties is to be completed no later than ten (10) calendar days after work is assigned. A work assignment will contain no more than 100 specific addresses for mowing to be completed within the 10-day performance period. Allowances for inclement weather or other unusual circumstances will be determined by the City's agent.
- j) Priorities will be assigned by the City's agent and work scheduled accordingly based upon accumulated violations and other factors such as seasonal growth rate, weather over which the City has little or no control. However, the City reserves the right to change work assignments and priorities at any time. For this reason, it is imperative the Contractor or his representative are easily accessible during working hours of 8:00 a.m. and 5:00 p.m. in the event scheduling changes are necessary.
- k) The City will provide two (2) pair (4 total) magnetic signs identifying the vehicle as being a "City of Rocky Mount Contractor." These signs are always to be visible on the vehicle when performing work under this contract. Should any of the signs be lost, missing, damaged, etc., the Contractor will be responsible for their replacement.

## 5.2 VENDOR'S REPRESENTATION

- a) Vendor warrants qualified personnel shall provide all services that may be required under The Contract in a professional manner. "Professional manner" means that the personnel performing the services shall possess the skill and competence consistent with at least the prevailing business standards in the industry. Vendor agrees that it shall not enter any agreement with a third party that may abridge any rights of the City under The Contract. Vendor shall serve as the prime contractor under The Contract and shall be responsible for the performance and payment of all subcontractors(s) that may be approved by the City. Names of any third-party Vendors or subcontractors of Vendor may appear for purposes of convenience in Contract documents; and shall not limit Vendor's obligations hereunder.
- b) If any goods, services, functions, or responsibilities not specifically described in The Contract are required for Vendor's proper performance, provision and delivery of the goods and services under The Contract is an inherent part of or necessary sub-requirement included within such goods and services, they will be deemed to be implied by and included within the scope of the contract to the same extent and in the same manner as if specifically described in the contract. Unless otherwise expressly provided herein, Vendor will furnish its own necessary management, supervision, labor, facilities, furniture, computer and telecommunications equipment, software, supplies and materials necessary for the Vendor to provide and deliver the goods and services.
- c) Vendor warrants that it has the financial capacity to perform and to continue perform its obligations under the contract; that Vendor has no constructive or actual knowledge of an actual or potential legal proceeding being brought against Vendor that could materially adversely affect performance of The Contract; and that entering into The Contract is not prohibited by any contract, or an order by any court of competent jurisdiction.
