Quotes shall be submitted in accordance with the terms and conditions of this RFQ and any addenda issued hereto.

2.0 GENERAL INFORMATION

2.1 REQUEST FOR QUOTE DOCUMENT

The RFQ is comprised of the base RFQ document, any attachments, and any addenda released before Contract award. All attachments and addenda released for this RFQ in advance of any Contract award are incorporated herein by reference. Vendor may attach its quote to this RFQ for submission; however, any and all additional, modified or conflicting terms and conditions submitted on or with Vendor’s quote shall be disregarded and shall not be considered a part of any contract arising from this RFQ. Any attempt to delete or avoid the force of the previous sentence shall render Vendor’s quote invalid, and it shall not be considered.

2.2 NOTICE TO VENDORS REGARDING TERMS AND CONDITIONS

If Vendors have questions, issues, or exceptions regarding any term, condition, or other component within this RFQ (including proposed alternate language), those **must** be submitted as questions in accordance with the instructions in Section 2.4. QUESTIONS ABOUT QUOTE. If the City determines that any changes will be made resulting from the questions asked, then such decisions will be communicated in the form of an RFQ addendum. The City may also elect to leave open the possibility for post-contract negotiation and amendment of specific provisions of the Contract that have been addressed during the question and answer period. Other than through this process, the City rejects and will not be required to evaluate or consider any additional or modified terms and conditions submitted with Vendor’s quote. This applies to any language appearing in or attached to the document as part of the Vendor’s quote that purports to vary any terms and conditions or Vendors’ instructions herein or to render the quote non-binding or subject to further negotiation. *Vendor’s quote shall constitute a firm offer.* **By execution and delivery of a quote in response to this RFQ, the Vendor agrees that any additional or modified terms and conditions, whether submitted purposefully or inadvertently, shall have no force or effect, and will be disregarded. 3.0 METHOD OF AWARD AND QUOTE EVALUATION PROCESS

3.1 METHOD OF AWARD

Contracts will be awarded in accordance with G.S. 143-129, 143-131 and the evaluation criteria set out in this solicitation. Prospective Vendors shall not be discriminated against on the basis of any prohibited grounds as defined by Federal and State law.

The City may obtain quotes from one or more potential Vendors. All quotes will be evaluated, and award will be based on lowest responsive quote meeting specifications.

Local Preference Policy. *The only exception to the lowest responsive, responsible bidder method of award will be the local preference policy. The preference will allow an Eligible Local Bidder to match the price and terms of the lowest responsible, responsive bidder who is a Non-Local Bidder, if the Eligible Local Bidder's price is within five percent (5%) or \$25,000, whichever is less, of the lowest responsible, responsive Non-Local Bidder's price .An eligible local vendor is one that is current on property taxes in the City of Rocky Mount and meets the qualifications set forth in the policy. An application can be found at <https://rockymountnc.gov/services-finance-vendor-registration/>*

3.2 QUOTE EVALUATION PROCESS

- a) Quotes are requested for the items as specified, or item(s) equivalent in design, function and performance. The City reserves the right to reject any quote on the basis of fit, form and function as well as cost.
- b) The City shall review the responses to this RFQ to confirm that they meet the specifications and requirements. The City reserves the right to waive any minor informality or technicality.
- c) For all responses that pass the initial review process, the City will review and assess the Vendors' pricing. The City may request additional formal responses or submissions from any or all Vendors for the purpose of clarification or to amplify the materials presented in any part of the quote. Vendors are cautioned, however, that the City is not required to request clarification, and often does not. Therefore, all quotes should be complete and reflect the most favorable terms available from the Vendor. Prices quoted cannot be altered or modified as part of a clarification.
- d) Quotes will be evaluated, based on the award criteria identified in Section 3.1 METHOD OF AWARD.

Award of a Contract to one Vendor does not mean that the other quotes lacked merit, but that, all factors considered, the selected quote was deemed most advantageous and represented the best value to the City.

Vendors are cautioned that this is a request for quote, not a request or an offer to contract, and the City reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of the City .

CONFIDENTIALITY DURING PROCESS: During the evaluation period and prior to award, all information concerning the quote and evaluation is confidential, and possession of the quotes and accompanying information is limited to personnel of the issuing department and any third parties involved in this procurement process, and to the committee responsible for participating in the evaluation. Any attempt on behalf of a Vendor to gain such confidential information, or to influence the evaluation process (e.g., contact anyone involved in the evaluation, criticize another Vendor, offer any benefit or information not contained in the quote) in any way is a violation of North Carolina purchasing law and regulations and shall constitute sufficient grounds for disqualification of Vendor's offer from further evaluation or consideration in the discretion of the City .

3.3 INTERPRETATION OF TERMS AND PHRASES

This Request for Quote serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by the Department; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. As such, all terms in the Request for Quote shall be enforceable as contract terms in accordance with the General Contract Terms and Conditions. The use of phrases such as “shall,” “must,” and “requirements” are intended to create enforceable contract conditions. In determining whether quotes should be evaluated or rejected, the Department will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy the Department’s needs as described in the Request for Quote. Except as specifically stated herein, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in the Department exercising its discretion to reject a quote in its entirety.
