1.0 PURPOSE AND BACKGROUND

The City of Rocky Mount is seeking quotes from qualified vendors to provide an upgrade to the system at Booker T Theater that will allow better use of the public facility which can be rented out by residents and nonresidents.

Quotes shall be submitted in accordance with the terms and conditions of this RFQ and any addenda issued hereto.

2.0 GENERAL INFORMATION

2.1 REQUEST FOR QUOTE DOCUMENT

The RFQ is comprised of the base RFQ document, any attachments, and any addenda released before Contract award. All attachments and addenda released for this RFQ in advance of any Contract award are incorporated herein by reference. Vendor may attach its quote to this RFQ for submission; however, any and all additional, modified or conflicting terms and conditions submitted on or with Vendor's quote shall be disregarded and shall not be considered a part of any contract arising from this RFQ. Any attempt to delete or avoid the force of the previous sentence shall render Vendor's quote invalid, and it shall not be considered.

2.2 NOTICE TO VENDORS REGARDING TERMS AND CONDITIONS

It shall be the Vendor's responsibility to read the Instructions, the Cities' terms and conditions, all relevant exhibits and attachments, and any other components made a part of this RFQ and comply with all requirements and specifications herein. Vendors are also responsible for obtaining and complying with all Addenda and other changes that may be issued concerning this RFQ.

If Vendors have questions, issues, or exceptions regarding any term, condition, or other component within this RFQ (including proposed alternate language), those **must** be submitted as questions in accordance with the instructions in Section 2.4. QUESTIONS ABOUT QUOTE. If the City determines that any changes will be made resulting from the questions asked, then such decisions will be communicated in the form of an RFQ addendum. The City may also elect to leave open the possibility for post-contract negotiation and amendment of specific provisions of the Contract that have been addressed during the question and answer period. Other than through this process, the City rejects and will not be required to evaluate or consider any additional or modified terms and conditions submitted with Vendor's quote. This applies to any language appearing in or attached to the document as part of the Vendor's quote that purports to vary any terms and conditions or Vendors' instructions herein or to render the quote non-binding or subject to further negotiation. *Vendor's quote shall constitute a firm offer.* **By execution and delivery of a quote in response to this RFQ, the Vendor agrees that any additional or modified terms and conditions, whether submitted purposefully or inadvertently, shall have no force or effect, and will be disregarded. Noncompliance with, or any attempt to alter or delete, this paragraph shall constitute sufficient grounds to reject Vendor's quote as nonresponsive. Any quote that contains language that indicates the quote is non-binding or subject to further negotiation before a contractual document may be signed shall be rejected.**

Contact with anyone working for or with the City regarding this RFQ other than the City of Rocky Mount Purchasing Office Contract Lead named on the face page of this RFQ or in the manner specified by this RFQ shall constitute grounds for rejection of said Vendor's offer, at the Cities election.

3.0 METHOD OF AWARD AND QUOTE EVALUATION PROCESS

3.1 METHOD OF AWARD

Contracts will be awarded in accordance with G.S. 143-129, 143-131 and the evaluation criteria set out in this solicitation. Prospective Vendors shall not be discriminated against on the basis of any prohibited grounds as defined by Federal and State law.

The City may obtain quotes from one or more potential Vendors. All quotes will be evaluated, and award will be based on lowest responsive quote meeting specifications.

Local Preference Policy. *The only exception to the lowest responsive, responsible bidder method of award will be the local preference policy. The preference will allow an Eligible Local Bidder to match the price and terms of the lowest responsible, responsive bidder who is a Non-Local Bidder, if the Eligible Local Bidder's price is within five percent (5%) or \$25,000, whichever is less, of the lowest responsible, responsive Non-Local Bidder's price. An eligible local vendor is one that is current on property taxes in the City of Rocky Mount and meets the qualifications set forth in the policy. An application can be found at <https://rockymountnc.gov/services-finance-vendor-registration/>*

3.2 QUOTE EVALUATION PROCESS

- a) Quotes are requested for the items as specified, or item(s) equivalent in design, function and performance. The City reserves the right to reject any quote on the basis of fit, form and function as well as cost.
- b) The City shall review the responses to this RFQ to confirm that they meet the specifications and requirements. The City reserves the right to waive any minor informality or technicality.
- c) For all responses that pass the initial review process, the City will review and assess the Vendors' pricing. The City may request additional formal responses or submissions from any or all Vendors for the purpose of clarification or to amplify the materials presented in any part of the quote. Vendors are cautioned, however, that the City is not required to request clarification, and often does not. Therefore, all quotes should be complete and reflect the most favorable terms available from the Vendor. Prices quoted cannot be altered or modified as part of a clarification.
- d) Quotes will be evaluated, based on the award criteria identified in Section 3.1 METHOD OF AWARD.

Award of a Contract to one Vendor does not mean that the other quotes lacked merit, but that, all factors considered, the selected quote was deemed most advantageous and represented the best value to the City.

Vendors are cautioned that this is a request for quote, not a request or an offer to contract, and the City reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of the City .

CONFIDENTIALITY DURING PROCESS: During the evaluation period and prior to award, all information concerning the quote and evaluation is confidential, and possession of the quotes and accompanying information is limited to personnel of the issuing department and any third parties involved in this procurement process, and to the committee responsible for participating in the evaluation. Any attempt on behalf of a Vendor to gain such confidential information, or to influence the evaluation process (e.g., contact anyone involved in the evaluation, criticize another Vendor, offer any benefit or information not contained in the quote) in any way is a violation of North Carolina purchasing law and regulations and shall constitute sufficient grounds for disqualification of Vendor's offer from further evaluation or consideration in the discretion of the City .

3.3 INTERPRETATION OF TERMS AND PHRASES

This Request for Quote serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by the Department; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. As such, all terms in the Request for Quote shall be enforceable as contract terms in accordance with the General Contract Terms and Conditions. The use of phrases such as "shall," "must," and "requirements" are intended to create enforceable contract conditions. In determining whether quotes should be evaluated or rejected, the Department will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy the Department's needs as described in the Request for Quote. Except as specifically stated herein, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in the Department exercising its discretion to reject a quote in its entirety.

4.0 REQUIREMENTS

This Section lists the requirements related to this RFQ. By submitting a quote, the Vendor agrees to meet all stated requirements in this Section as well as any other specifications, requirements and terms and conditions stated in this RFQ. If Vendor is unclear or has any question about the specifications, requirements and terms and conditions herein, it is urged and cautioned to contact the issuing department Contract Lead as specified in this RFQ.

Booker T Upgrade Guide

The proposed Booker T upgrades are split into four categories: Theatrical Lighting, Architectural Lighting, Projections, and the Support Systems. Below is a breakdown of sensible upgrades to make the space a superior banquet hall and a viable theatric venue. The proposed upgrades focus on retrofitting the existing theatrical and architectural lighting with modern LEDs with color mixing capabilities. This would allow dynamic lighting with almost no major structural changes to the historic building. Vendors would be responsible for removal of old equipment, purchase, and installation of new equipment. Equipment listed is suggested. Equipment that is equal to may be substituted.

I. Theatrical Lighting

A) Stage Instruments

- i. Source 4WRD Color Base retrofit
 - Six (6) needed
 - These bases would replace the current relay dimmer and incandescent lamps while saving the fully functional ellipsoidal bodies
 - <https://www.etcconnect.com/Products/Lighting-Fixtures/S4WRD/S4WRD-C/Features.aspx>

B) Theatrical Controls

- ii. ETC Ion Xe
 - System will also need 2 generic monitors and a keyboard
 - This is the control console for the stage and architectural lighting. It uses the same OS as the control board in the Imperial Centre theatre. It's a smaller unit designed for ease of use in less complex spaces. It also ties into the Moasic Architectural System

- <https://www.etconnect.com/Products/Consoles/Eos-Family/Ion-Xe/Features.aspx>

II. Architectural Lighting

A) Overhead Lighting

- i. ArcSystem Navis Light Sources
 - 30 units needed
 - These units would replace the recessed lighting on the ceiling and the light source for the chandelier style fixtures
 - Each of these light sources can produce most of color spectrum allowing for very dynamic room lighting beyond bright white light
 - https://www.etconnect.com/Products/Lighting-Fixtures/ArcSystem-Navis/Features.aspx?utm_campaign=Architectural

B) Architectural Controls

- ii. Moasic Architectural System
 - <https://www.etconnect.com/Products/Architectural-Systems/Mosaic/>

III. Projections

A) Pro L1495UNL WUXGA 3LCD Laser Projector with 4K Enhancement Projector

- i. Projector body
- ii. Projector Lens
- iii. <https://epson.com/For-Work/Projectors/Large-Venue/Pro-L1495UNL-WUXGA-3LCD-Laser-Projector-with-4K-Enhancement/p/V11HA16820>

B) Media Computer

- iv. Apple 27" iMac (Mid 2020)
 - This is the updated version of the iMac we use at the Imperial Centre. This computer can run most major multimedia software clients would want to use for presentations

C) Da-Lite Projector Screen

- Replace the screen with a larger 16:10 ratio motorized screen.
- <https://www.da-litescreenstore.com/Electric-Wall-Screens/Cosmopolitan-Electrol-Projector-Screen-87-x-139>

IV. Support Systems

A) Video Network

- i. Processor and Input/output Panels
 - I would recommend having an input panel in the back of the main event space and one just offstage on either side of the door. A 50' HDMI cable could reach anywhere in the space between the two inputs.

B) Ethernet Networking

C) In the Wall Cabling for HDMI

- ii. Most of the cable pulls are already in place from the previous system. Most of the cabling will be cat5 ethernet.

5.2 VENDOR'S REPRESENTATION

- a) Vendor warrants that qualified personnel shall provide all services that may be required under The Contract in a professional manner. "Professional manner" means that the personnel performing the services shall possess the skill and competence consistent with at least the prevailing business standards in the industry. Vendor agrees that it shall not enter any agreement with a third party that may abridge any rights of the City under The Contract. Vendor shall serve as the prime contractor under The Contract and shall be responsible for the performance and payment of all subcontractor(s) that may be approved by the City. Names of any third-party Vendors or subcontractors of Vendor may appear for purposes of convenience in Contract documents; and shall not limit Vendor's obligations

hereunder.

- b) If any goods, services, functions, or responsibilities not specifically described in The Contract are required for Vendor's proper performance, provision and delivery of the goods and services under The Contract, or are an inherent part of or necessary sub-requirement included within such goods and services, they will be deemed to be implied by and included within the scope of the contract to the same extent and in the same manner as if specifically described in the contract. Unless otherwise expressly provided herein, Vendor will furnish all of its own necessary management, supervision, labor, facilities, furniture, computer and telecommunications equipment, software, supplies and materials necessary for the Vendor to provide and deliver the goods and services.
- c) Vendor warrants that it has the financial capacity to perform and to continue perform its obligations under the contract; that Vendor has no constructive or actual knowledge of an actual or potential legal proceeding being brought against Vendor that could materially adversely affect performance of The Contract; and that entering into The Contract is not prohibited by any contract, or an order by any court of competent jurisdiction.
